

Newsletter November 2010

Dear parents and student,

Happy Hallowe'en!

We have four sessions in the month of November and very soon you will be informed about our annual exhibition.

New event

This year we have decided to have a parents and students night. Please keep your first Saturday of December (December 4) open. Parents are requested to attend as they will experience surprises! Students and parents are required to stay for approximately two hours after the class is over. A light refreshment will be provided. Students participation is mandatory. Parents' attendance is highly recommended and extremely important.

Birthday

We have one birthday in this month and it is **Mehran's**. Happy birthday Mehran. We wish you luck on your birthday and the entire year.

Organization

Thanks to all for being on time and really organized and having your tools by yourself. It makes working with you much more enjoyable and relaxing.

Hallowe'en

Once again thanks to **Rachel** to share her treat with us on Hallowe'en. **Rachel**, your generosity is always appreciated.

PA Day

Friday students, please remember we will have our class on PA day. So please be on time.

Regards,
Mojgan Afshar
