

2010 May 1st

Dear parents and students,

We have just two more months until the end of the school year. Time is flying and everyone is busy with all the performances, exams and projects. It was a little difficult to arrange the time and location for the exhibition this year. However, we luckily managed to make a booking of our preferred location for the exhibition.

**URGENT
Exhibition:**

We have been given little latitude for selecting the time, date and venue for our next exhibition and have to consent to the only availabilities. I managed to arrange the exhibition for Sunday, June 6 at 5:00 to 7:30 PM. However, some parents have expressed their concern that it may be too late in the day as the next day would be a school day.

The next availability is in September, which is what some parents suggested. Even though I am prepared and have made all the arrangements for June, I am still open to receive your suggestions. It is very important for us to know your preference regarding this issue. Therefore, if you have any concerns, or any difficulty to be there at the date and time above, please inform me before Monday, May 3.

BIRTHDAY

This month we have a birthday Girl, Roya. Roya's birthday is the last day of the month, on May 29. But we grab this opportunity to congratulate her. Happy Birthday Roya.
